The glorious 12 @ the Clarendon

The red grouse is unique to Great Britain and lives out on the North Yorkshire Moors only a mile from our kitchen, The Clarendon is the home of the Hedben shoot, they will be out early on Saturday 12th August and we will be one of the first pub to have grouse on our menu

The menu has been created using only products sourced within 5 miles of our kitchen, not only celebrating the Grouse but also the Yorkshire Dales
